

Clocks

Coldplay

Lights go out and I can't be saved
Tides that I tried to swim against
Have brought me down upon my knees
Oh I beg, I beg and plead, singin'

Come out of things aren't said
Shoot, an apple off my head.
And the
Trouble that cant be named
The tiger's waiting to be tamed singin'

You are
You are

Confusion never stops
Closing walls and ticking clocks
Gonna come back and take you home
I could not stop that you now know, singin'

Come out upon my seas,
Curse missed opportunities
Am I a part of the cure
Or am I part of the disease, singin'

You are, you are
You are, you are
You are, you are

Bridge

Nothing else compares.
Oh, no nothing else compares
Oh, no nothing else compares

You are
You are

Home, home where I wanted to go
Home, home where I wanted to go
Home, home where I wanted to go
Home, home where I wanted to go
