

Nobody's Perfect

Jesse J

When I'm nervous I have this thing yeah I talk too much
Sometimes I just can't shut the hell up
It's like I need to tell someone anyone who'll listen
And that's where I seem to fuck up, yeah
I forget about the consequences, for a minute there I lose my senses
And in the heat of the moment my mouth's starts going the words start flowing

But I never meant to hurt you, I know it's time that i learnt to
Treat the people I love like I wanna be loved
This is a lesson learnt , I hate that I let you down and I feel so bad about it
I guess karma comes back around cause now I'm the one that's hurting yeah
And I hate that I made you think that the trust we had is broken
So don't tell me you can't forgive me
Cause nobody's perfect, no, no, no, no, no, no, no, nobodys perfect

If i could turn back the hands of time
I swear I never wanna cross that line
I should of kept it between us but no I went and told the whole world how I feel and oh
So I sit and I realise with these tears falling from my eyes
I gotta change if I wanna keep you forever
Promise that I'm gonna try

But I never meant to hurt you, i know it's time that i learn to
Treat the people I love like I wanna be loved
This is a lesson learnt and I hate that I let you down and I feel so bad about it
I guess karma comes back around cause now I'm the one that's hurting yeah
And I hate that I made you think that the trust we had is broken

So don't tell me you can't forgive me
Cause nobody's perfect, no, no, no, no, no, no, no, nobody's perfect

I'm Not a saint no not at all, but what I did it wasn't cool
But I swear that I'll never do that again to you
I'm not a saint, no not at all, but what I did it wasn't cool
but i swear that ill never do that again to you.
I hate that I let you down, and I feel so bad about it
I guess karma comes back around cause now I'm the one that's hurting yeah
And I hate that I made you think that the trust we had is broken
So don't tell me you can't forgive me
Cause nobody's perfect, no,

And I hate that I let you down and i feel so bad about it
I guess karma comes back around and I'm the one that's hurting, yeah
And I hate that I made you think that the trust we had is broken
So don't tell me you can't forgive me
Cause nobody's perfect. yeah yeah
dont tell me, dont tell me no,no
you cant forgive no, no you can't forgive no because nobody's perfect
