

# Rolling in the deep

Adele

There's a fire starting in my heart.  
Reaching a fever pitch and bringing me out the dark

Finally, I can see you crystal clear.  
Go ahead and sell me out and I'll lay your ship bare.  
See how I leave, with every piece of you  
Don't underestimate the things that I will do.

There's a fire starting in my heart,  
Reaching a fever pitch and it's bringing me out the dark

The scars of your love, reminds me of us.  
They keep me thinking that we almost had it all  
The scars of your love, they leave me breathless  
I can't help feeling...

We could have had it all... (you're gonna wish you,  
never had met me)...  
Rolling in the Deep (Tears are gonna fall, rolling in  
the deep)  
You had my heart... (you're gonna wish you)...  
Inside of your hand (Never had met me)  
And you played it... (Tears are gonna fall)... To the  
beat (Rolling in the deep)

Baby I have no story to be told,  
But I've heard one of you and I'm gonna make  
your head burn.  
Think of me in the depths of your despair.  
Making a home down there, as mine sure won't be  
shared.

The scars of your love, remind me of us.  
They keep me thinking that we almost had it all  
The scars of your love, they leave me breathless  
I can't help feeling...

We could have had it all... (you're gonna wish  
you never had met me)...  
Rolling in the Deep (Tears are gonna fall, rolling  
in the deep)

You had my heart... (you're gonna wish you)...  
inside of your hand (Never had met me)  
And you played it... (Tears are gonna fall)... To  
the beat (Rolling in the deep)  
Could have had it all  
Rolling in the deep.

You had my heart inside of your hand,  
But you played it with your beating

Throw your soul through every open door  
(Whoa)  
Count your blessings to find what you're looking  
for (Whoa-uh)  
Turn my sorrow into treasured gold (Whoa)  
And pay me back in kind- You reap just what you  
sow.

(You're gonna wish you... Never had met me)  
We could have had it all (Tears are gonna fall...  
Rolling in the deep)  
We could have had it all yeah (you're gonna wish  
you... never had met me)  
It all (Tears are gonna fall)  
It all  
It all (Rolling in the deep)

We could have had it all (you're gonna wish you,  
never had met me)  
Rolling in the deep (Tears are gonna fall rolling in  
the deep)

You had my heart inside... (you're gonna wish  
you)... of your hand (Never had met me)  
And you played it... (Tears are gonna fall)... to  
the beat (Rolling in the deep)  
We could have had it all ( you're wish you never  
had met me)  
Rolling in the deep (tears are gonna fall, rolling  
in the deep)  
You had my heart... ( you're gonna wish you)...  
Inside of your hand (Never had met me)

But you played it  
You played it  
You played it  
You played it to the beat.
