

Use Somebody

Kings Of Leon

I've been roaming around, I was looking down at all I see
Painted faces fill the places I can't reach
You know that I could use somebody
You know that I could use somebody

Someone like you and all you know and how you speak
Countless lovers under cover of the street
You know that I could use somebody
You know that I could use somebody
Someone like you

Off in the night while you live it up I'm off to sleep
Waging wars to shake the poet and the beat
I hope it's gonna make you notice
I hope it's gonna make you notice

Someone like me, someone like me
Someone like me, somebody

**I'm ready now, I'm ready now
I'm ready now, I'm ready now
I'm ready now, I'm ready now
I'm ready now**

Someone like you, somebody
Someone like you, somebody
Someone like you, somebody

I've been roaming around, I was looking down at all I see
